RE: K.H. v Paige Long, P.A.
Case # PA-06-0029A

Dear PA Long:

The purpose of this letter is to inform you that during the course of the February 28, 2007, public meeting, the Arizona Regulatory Board of Physician Assistants (Board) reviewed the above-referenced complaint and all pertinent evidence and information gathered during the investigation. At the conclusion of its review, the Board voted to issue you this Advisory Letter for failure to meet with any supervising physician on a weekly basis.

An advisory letter is a non-disciplinary action, and is not subject to review by either the Board or the Courts. See *Murphy v. Board of Medical Examiners of the State of Arizona*, 190 Ariz. 441, 949 P.2d 530 (App. 1997). However, you may file a written response to the letter with the Board within thirty days after its receipt A.R.S. § 32-2551(D)(2). If timely received, this response will be attached to the advisory letter and maintained in your permanent file. The written response will also be hyperlinked to your profile on the agency's website.

Sincerely,

A handwritten signature in cursive script that reads "Mary Bober".
